Compliance with FCC Order Nos. 96-388 and) MOTION
96-439 in CC Docket No. 96-128 and 91-35)
(Ref TN-97-176))

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion of the South Carolina Public Communications Association (SCPCA) requesting that the Commission require Rock Hill Telephone Company (Rock Hill) to file studies in this matter which are consistent with FCC Orders, as well as other relief. SCPCA has also requested oral arguments on this Motion. Rock Hill opposes the Motion related to the filing of cost studies, however, it supports the request for oral arguments.

Since both parties concur in the request for oral arguments, we hold that these should be held on **February 6, 2001 at 2:30 PM** in the Commission hearing room. Oral arguments will enable us to better determine the facts and the law before ruling on SCPCA's Motion.
